

St Peter's Catholic High School

A Specialist Visual Arts College

GAS/ABA

21st September 2016

Dear Parents/Carers,

At the beginning of Year 10 we ask pupils to supply themselves with a quality sketchbook, drawing equipment and a folder.

We have found that most students starting the GCSE Art course really prefer to have their own basic set of materials. This gives them more control and confidence and they can develop work more fully at home as well as at school.

Unfortunately equipment and materials in art shops are very expensive and it is also a problem knowing what quality and price of materials to choose.

Materials can however be purchased much cheaper through the school catalogue and students have often asked us to do this for them.

If the equipment is for school work we are allowed to offer them to students at cost price. I have therefore put a basic pack together hoping to save you time and money. The total pack will cost £17.14.

The pack consists of:

- | | |
|-------------------------|--------------------------------|
| 1. A1 folder portfolio | 2. A4 Drawing board sketchbook |
| 3. Drawing pencil set | 4. Coloured pencil set |
| 5. Watercolour Tin | 6. Brush set |
| 7. Black fine liner pen | 8. Graphite Stick |
| 9. Koh-I-Noor Eraser | |

To purchase the pack please fill in the slip below to place your order and return it by Wednesday 28th September 2016.

Do not send any money at this moment in time.

If you decide not to purchase an Art pack and buy the equipment independently then the following items are essential to allow the requirements of the course to be fulfilled;

A quality hardback A4 sketchbook with cartridge paper, a selection of drawing pencils (2B, 4B, 6B), coloured pencils.

Yours sincerely,

G. Gaskell (Miss)
