Dear Parents/Carers,

At the beginning of Year 10 we ask pupils to supply themselves with a quality sketchbook, a presentation file and a folder.

We have found that most students starting the GCSE Photography course really prefer to have their own basic set of materials. This gives them more control and confidence and they can develop work more fully at home as well as at school.

Unfortunately equipment and materials in art shops are very expensive and it is also a problem knowing what quality and price of materials to choose.

Materials can however be purchased much cheaper through the school catalogue and students have often asked us to do this for them.

If the equipment is for school work we are allowed to offer them to students at cost price. I have therefore put a basic pack together hoping to save you time and money. The total pack will cost £18.40.

The pack consists of:

- |                                      |                           |
|--------------------------------------|---------------------------|
| 1. A2 folder portfolio               | 2. A3 Hardback sketchbook |
| 3. A3 Presentation file (40 pockets) | 4. Black fine liner pen   |
| 5. Glue stick (x2)                   | 6. Masking Tape           |

To purchase the pack please fill in the slip below to place your order and return it by Wednesday 28<sup>th</sup> September 2016.

Do not send any money at this moment in time.

If you decide not to purchase a Photography pack and buy the equipment independently then the following items are essential to allow the requirements of the course to be fulfilled;

A quality hardback A3 sketchbook with cartridge paper, A3 presentation file, and A2 folder.

Yours sincerely,

D. Smith (Miss)
