

St Peter's Catholic High School

A Specialist Visual Arts College

15th September 2017

Dear Parent/ Carer,

ARCHDIOCESAN SCHOOLS BUILDING FUND

Many people are unaware of the fact that Catholic Schools are supported financially by the Catholic Community. In order to provide youngsters with a Catholic Education, a proportion of the costs of all repairs, maintenance and new building work has to be found.

Parents are being asked to support this enterprise by donating funds to the Archdiocesan Building Fund so that the future of Catholic Education is assured. Having chosen a Catholic Education for your child I hope you will support the Archdiocese and contribute so that your child will benefit.

We have been asked to obtain **annually £10.00 per family** as a contribution towards the Fund.

In order to support the Archdiocese any shortfall is subsidised from our school budget, taking money away from other projects, so we appeal to you for your support.

St Peter's has just benefited from the Fund to a great extent. The new two storey block which gives us ten new classrooms including bespoke music facilities, a second dining room and a dance studio has been part-funded by the Archdiocese Building Fund. In addition to giving us some really excellent facilities, this also means that we have been able to increase our admission number for this year's intake and those who will follow them, making it far more likely that we will be able to provide an education for all of the children in our partner parishes in the years to come.

Please fill in the reply slip and send it back to your child's Form Teacher, as soon as possible. **(We should be grateful if all parents would return the reply slip (overleaf) so that we can be certain that you have received this letter).**

Yours sincerely,

A McGlown (Mr)
