12<sup>th</sup> September 2016

Dear Parent/Carer,

Your child has been identified as being eligible for literacy based intervention. The aim of this intervention is to raise literacy standards, enhance English skills and allow for more intensive sessions based around key skills. The Booster sessions will help to develop each child's skills, understanding and knowledge thus having a positive impact in all subject areas. Students are selected from a combination of data analysis and teacher recommendation.

The Booster sessions will run for six week periods during school time. Invariably this will impact on the same periods on a Monday or Thursday over the six week period. For KS4 classes the missed lesson will be core PE. For KS3 students the subjects affected will change but English, Maths and Science will be unaffected. These sessions will take place in the school library under the guidance of Mrs Ayres.

We hope that you will agree to your child taking part, as this is a valuable opportunity. If you require any more information before making a decision, please do not hesitate to contact me at school. The first session will take place week beginning 11<sup>th</sup> September 2016.

Yours sincerely,

S McGuire (Mr)  
Head of English
