Dear Parent/Carer,

### Maths Easter Break Booster Session

Your child has been invited to the Easter Break Booster Session run by the Maths Department. This is an opportunity for your child to have an intense targeted session that will run through some of the key points which they will be examined on in May.

The Maths Booster Session will be held in school on **Wednesday 12<sup>th</sup> April 2017 9:45am to 3:00pm**. Once signed in pupils will not be allowed to leave the site until the end of the session at 3:00pm.

Pupils do not need to be in school uniform and lunch will be provided for all students. Pupils must bring a calculator with them.

I am sure that you agree that it would be beneficial for your child to take part in the session. Please indicate on the reply slip below whether you wish do not wish your son/daughter to attend. Reply slips need to be handed to your child's Maths teacher by **Thursday 23<sup>rd</sup> March 2017**.

There will be no school buses in operation, however if your child would struggle to get into/home from school as a result, please indicate below as we may be able to arrange additional transport.

Yours sincerely,

D. Kenny (Mrs)  
Maths Department
