Dear Parent/Carer,

I am writing to offer your child the opportunity to attend additional support sessions during the Easter Holidays. As you are aware, the next few months are crucial for your child and how they respond during this period will determine how successful they are in their examinations.

Following our most recent assessments, we have identified a group of Year 11 pupils whom we strongly believe would benefit from additional support in Geography in order to provide them with every opportunity to achieve their true potential.

With this in mind, we would like to invite your child into school on Friday 7th April, from 9.30am until 1:00pm, to receive support and guidance from members of the Geography Department.

We really hope that this is an opportunity your child will make the most of. If you require any further information, please do not hesitate to contact Mr Makin (Head of Geography).

If you would like your child to attend, please complete the attached reply slip and return to Mr Makin.

There will be no school buses in operation during these days, however, if your child would struggle to get into school as a result, please let us know as we may be able to arrange additional transport.

Yours sincerely,

M. Makin (Mr)
Head of Geography
